

MBTI® master class webinar

Practitioner Refresher

Myers-Briggs Type Indicator® (MBTI®) Master Class Series workshops are designed for certified practitioners who wish to deepen their understanding of type theory and its practical application.

- Are you a MBTI® certified practitioner who obtained their qualification years ago and are looking for an update on the latest version of the instrument and practitioner resources?
- Are you a recently certified MBTI® practitioner who is looking for another opportunity to practice your new MBTI® knowledge and skills?
- Are you looking for additional tips for delivering introductory sessions with the MBTI® instrument to groups and individuals?

This live webinar offers MBTI® certified practitioners an opportunity to update and refresh their knowledge and skills for using the MBTI® instrument, particularly in organisational settings, from any location.

During the webinar, you will experience proven approaches and techniques which will help you to guide clients through a process to achieve their best-fit type and learn best practice approaches for administering and delivering MBTI® Step I™ results for individual and group feedback sessions.

You will learn:

About the refreshed MBTI® Form M and Q online assessments, plus easy to use facilitation tools, designed to align with the refreshed reports for a cohesive learning experience

How to present and bring type theory to life for clients

How to help clients who are unclear about their personality type

About FAQs about the MBTI® instrument and type theory and how to respond

Type exercises for individual and group feedback sessions, plus practitioner skills practice activities

Other MBTI® Master Class Workshops

- Adv. Applications
- Type and Change
- Type and Coaching
- Type and Conflict
- Type and Leadership
- Type and Teams

“ Beyond the introductory level awaits much deeper and profound opportunities for practitioners and their clients to apply type theory for more focused development.
