

Advanced Team Development

Myers-Briggs Type Indicator® (MBTI®) Master Class Series workshops are designed for certified practitioners who wish to deepen their understanding of type theory and its practical application.

The Advanced Team Development workshop draws on decades of research and the experiences of practitioners who have successfully used the MBTI® instrument in their consulting, training and coaching with teams.

High performance teams come in many shapes and forms with the common ingredient being effective interactions between team members. The MBTI® instrument continues to offer those practitioners working with teams key practical and long lasting insights for optimising team performance.

You will learn to:

Determine when it is appropriate to use the MBTI® instrument with teams

Present the benefits of the MBTI® instrument for team development

Use personality type data for team analysis

Explore team strengths and blindspots

Help leaders and teams work together effectively

Improve team communication, decision making and problem solving

Support teams in actioning learnings from team activities

Other MBTI® Master Class Workshops

- Adv. Applications
- Type and Change
- Type and Coaching
